**"Margin calls!"
July 2, 2026**

Dear colleagues,

The [registration](#) to our 4-th International Summer agricultural conference **Where the Margin Is** is ongoing. We thank those numerous participants who have already registered for the event.

The Conference will be held on July 23-24 in legendary [Radisson Collection Hotel, Moscow](#).

As of the beginning of July, the market share of companies participating in the Conference in grain exports was about 75%, similar figures for the production and export of vegetable oils reached 50%, and for sugar production – 70%. The conference will feature two largest flour milling companies and a group of leading producers of feed, meats and dairy. The land bank of participating companies exceeded 8 million hectares, including 6.5 million hectares in the offline format (personal presence at the conference).

In previous year the Conference attracted off-line participation of about 300 business owners, highly ranking executives and analysts from leading domestic, Azerbaijan, Belarus, China, Kazakhstan, UAE, Uzbekistan agribusiness companies.

On-line participation is also available.

Please see [the archive](#) of previous Conferences.
